Dear Parents,

The time is here to re-enroll your child for next school year. The last day for this school year is June 3, 2022.

LCDC's Re-Enrollment for the 2022/2023 school year begins on Monday, **March 14th** for students currently enrolled at LCDC.

We are currently almost 100% full in all classes and have a large wait list for the summer and coming school year. Those on our wait list will have the opportunity to enroll for fall on **Friday, March 25** and fall new enrollment will open to the public on **Monday, April 4th**. It is crucial that you re-enroll your child prior to this date to ensure placement. Let me stress this again. **Last year we had students that did not re-enroll by the new enrollment deadline and we accepted new students creating a situation that we were over booked on some days making things very challenging. We will not be accepting more students than we have space for the coming school year.**

Attached you will find an Enrollment Form, a new Contract and a Fall School Supply List for the 2022/2023 school year. Please keep the supply list for your shopping needs. Calendars will be sent out at a later date.

Rates will increase slightly effective June 6, 2022. Please return the re-enrollment form, contract, and \$25 registration deposit toward the full \$55.00 registration fee **OR** the entire \$55.00 registration fee as soon as possible to secure your child's spot at LCDC. Book fees must be paid by Friday, July 8, 2022.

Our Summer Program begins June 6, 2022. Re-enrollment for summer will begin on **Monday, April 18th**. Summer enrollment forms and contracts will be placed in your child's cubby on Thursday, April 14th. We are in the process of planning lots of fun activities for this summer. We're always looking for new ideas and ways to improve our program. Ideas and suggestions are welcome.

In Christ, Cathy
